Re: All Fingerprinting for Justice Center, OASAS, and OMH

Dear Applicant,

Welcome! StartCare is dedicated to the betterment of all patients and employees.

The law requires StartCare and all affiliated clinics to request from each employee a criminal history information check with the NYS Division of Criminal Justice (DCJS), the Federal Bureau of Investigation (FBI), in addition to the Justice Center, and to review and evaluate the results of the criminal history information received from the said agencies.

Criminal history information will be considered pursuant to Article 23-A of the NYS Correction Law in making hiring determinations.

Criminal history information will remain a part of your StartCare employment records for six years as required by NYS law, or as may be required by requirements of any of the federal or state agencies under which StartCare is an authorized provider.

Please note you have the right to request, in writing, a copy of your criminal history information from the FBI's Criminal Justice Information Services (CJIS) Division. Requests for review of an FBI Identification Record must be mailed on signed cover letters provided by the FBI along with proof of identity (set of fingerprints) and payment to:
