Company Overview

GreenPoint Maintenance Services Corp is a Minority Business Enterprise (MBE) certified commercial janitorial and facility maintenance provider headquartered in Brooklyn, New York. We deliver verified, compliance-grade cleaning programs to educational, government, healthcare, and institutional facilities

8+	80+	5
Years in Business	Field Professionals	States Served

Core Competencies

Commercial Janitorial Programs

Daily, weekly, and monthly facility cleaning using Green Seal certified products. Custom protocols per facility type.

Real-Time Verification (StockPoint)

Verification platform with timestamped photo documentation, GPS task completion, and ATP surface-cleanliness readings.

Healthcare & Education Compliance

CDC-compliant sanitization for schools, daycares, and medical offices. OSHA-aware protocols. Safe for occupants.

Day Porter & On-Site Services

Dedicated on-site personnel for high-traffic facilities. Restroom maintenance, trash management, and spot cleaning.

Floor Care Programs

Strip, wax, buff, scrub, and refinish programs for VCT, LVT, hardwood, and epoxy surfaces.

Key Differentiators

StockPoint Verification

Real-time photo and ATP cleanliness documentation after every service, available to clients on request.

MBE/MWBE Certified

Qualifies for diversity procurement programs, MWBE set-asides, and minority vendor registries.

Dedicated Team Assignment

Same background-checked team for every visit — consistent service, no strangers.

5-State Coverage

NY, NJ, CT, PA, FL — scalable for multi-location institutional and government contracts.

Past Performance

NYC Charter School Network

Educational — K-12

Ongoing • New York, NY

SCOPE Full janitorial program including daily classroom cleaning, cafeteria sanitization, restroom maintenance, and seasonal deep cleans across multiple campuses.

RESULT 100% attendance on scheduled cleanings. School passed all health department inspections. Continued contract renewed annually.

Medical Office Complex

Healthcare — Outpatient

Ongoing • Westchester, NY

SCOPE OSHA-compliant sanitization for exam rooms, waiting areas, and administrative spaces. ATP bioluminescence verification at every service visit.

RESULT Consistently achieved ATP readings under 30 RLU on high-touch surfaces. Zero compliance issues during full audit period.

Multi-Site Houses of Worship

Religious Institution

Ongoing • New York Metro

SCOPE Sanctuary, fellowship hall, nursery, and administrative office cleaning for 300+ seat congregation. Flexible scheduling around service times and special events.

RESULT Reduced cleaning spend 22% vs. prior provider while improving documentation and occupant satisfaction scores.
